Dear Sir

ASCIANO GROUP – INTERESTS IN BRAMBLES SHARES

We refer to our announcement yesterday concerning the sub-account position on Brambles' registry which holds Asciano Group's previously declared shareholding, registered in the name of "Belike Nominees Pty Ltd <MSC A/C>".

Brambles has today been advised by its share registry that, as a result of transactions registered yesterday, 20 August 2007, the number of Brambles shares in that sub-account has increased by a further 5,208,971 shares. That sub-account now holds 45,480,944 Brambles shares, or 3.2% of Brambles' issued capital. Assuming that the additional shares were purchased on market, and assuming a T+3 settlement, the additional shares would have been acquired on Wednesday, 15 August 2007.

Brambles will be serving further notices on Belike Nominees Pty Limited (a subsidiary of Macquarie Bank) and the Asciano Group today requesting confirmation of the beneficial ownership of the additional shares.

In response to notices which were issued on 16 August 2007 with respect to the 30,950,487 ordinary Brambles shares which were held in the sub-account as at 15 August 2007 ("**15 August Shareholding**"), Brambles was last night advised by Macquarie Bank and MS Corporate Services Pty Ltd (**MSC**) respectively that:

- Belike Nominees Pty Ltd had no relevant interest in the 15 August Shareholding; and
- MSC has a relevant interest in the 15 August Shareholding as is the full beneficial owner thereof, and is not aware of any other person who has a relevant interest in the 15 August Shareholding other than its related bodies corporate (ie Asciano Limited and its subsidiaries).

Yours faithfully
Brambles Limited
