5 September 2012

Dear fellow Shareholder,

I have the pleasure of presenting the Brambles Annual Review for the financial year ending 30 June 2012 (Year). Full details of Brambles’ financial results for the Year are in the 2012 Annual Report. Shareholders who have elected not to receive hard copies of the Annual Report may view it on Brambles’ website at www.brambles.com/2012annualreport. The financial results for the Year, together with more detailed information on our businesses, are also contained on the Annual Review micro-site, referred to on the opposite page. I encourage you to access the information on the micro-site.

If you would like to receive shareholder communications electronically, please use the enclosed form to provide your email address to Brambles’ share registry. Shareholders who elect to receive electronic communications will benefit from prompt, convenient and secure delivery. Electronic communications are also environmentally friendly and generate cost savings.

Also attached is the Notice of Brambles’ 2012 Annual General Meeting, which will be held at The Wesley Theatre, Wesley Conference Centre, 220 Pitt Street, Sydney NSW 2000 on Thursday, 11 October 2012, commencing at 2.00 pm (AEDT).

Most of the items of business in the Notice will be familiar to you, including the election and re-election of Directors and the motion to adopt the Remuneration Report. The Board is also proposing an increase to the maximum total annual aggregate remuneration which may be paid to Non-executive Directors (the Non-executive Directors’ fee pool). The current aggregate of Non-executive Directors’ fees is close to the current amount of the Non-executive Directors’ fee pool. Brambles therefore seeks a US$450,000 increase to the Non-executive Directors’ fee pool to enable the Board to consider, if the circumstance arises, the appointment of an additional director and to allow for market rate increases, when appropriate, to Non-executive Directors’ fees over the next several years. Full details of these proposals are set out in the Explanatory Notes to this Notice.
Also enclosed is a shareholder question form designed to give shareholders an opportunity to raise questions ahead of the Annual General Meeting, if they wish to do so. These questions may either be directed to Brambles or, if they relate to the content of the Auditors’ Report or conduct of the audit, to Brambles’ auditors PricewaterhouseCoopers. I will endeavour to answer the most commonly asked questions at the meeting.

Shareholders who cannot attend the meeting in person have the choice of casting “direct votes” or appointing a proxy to cast their votes. I encourage you to cast your direct vote or register your proxy appointment using the share registry’s website www.linkmarketservices.com.au. Alternatively, please complete and mail the enclosed shareholder voting form in the reply paid envelope provided, or return it to the share registry by fax.

Brambles’ Directors believe that the proposals set out in the Notice and described in the Explanatory Notes are in the best interests of Brambles and unanimously recommend that you vote in favour of the resolutions.

Under Australian company law, key management personnel are prohibited from voting their personal interests on resolutions 2 and 10. Directors intend to cast the votes arising from their own beneficial shareholdings in favour of the other resolutions.

If I or any of my fellow Directors are appointed as a proxy we will, of course, vote in accordance with any instruction given to us. Under Australian company law, however, Brambles’ Directors (excluding the Chairman) and key management personnel and their closely related parties, cannot vote undirected proxies on the resolutions adopting the Remuneration Report or those relating to the Non-executive Directors’ fee pool. Therefore, if you wish to appoint any Brambles Directors (including myself) or other members of key management personnel as your proxy, please give us instructions as to how to vote by completing the “For”, “Against” or “Abstain” boxes for each resolution on the shareholder voting form. Please note that if you appoint me as your proxy in relation to resolutions 2 and 10 (to adopt the Remuneration Report and approve the increase in the Non-executive Directors’ fee pool) but do not complete any of those boxes, you will be directing me to vote in favour of resolutions 2 and 10. Full details are in the “How to Vote” section of this Notice.

As in previous years, voting at the meeting will be conducted on a poll.

Shareholders are invited to join the Board for afternoon tea at the conclusion of the Annual General Meeting. If you plan to attend, please bring the enclosed shareholder voting form to facilitate your registration. I look forward to seeing as many of you as possible on the day.

Yours sincerely

Graham Kraelhe AO
Chairman

Brian is a Fellow of the Institute of Chartered Accountants in Australia and a Fellow of the Australian Institute of Company Directors. He is a Member of the Order of Australia. Age: 59.

ITEM 10

INCREASE TO NON-EXECUTIVE DIRECTORS’ FEE POOL

Clause 74(b) of Brambles’ Constitution provides that the fees payable from time to time to Non-executive Directors shall be as the directors determine and, if required by the Australian Securities Exchange (ASX) Listing Rules, shall be in an amount not exceeding in aggregate a maximum sum that is from time to time approved by resolution of the Company (which amount shall include any remuneration paid to those directors by any subsidiary of the Company for their services). ASX Listing Rule 10.17 provides that an entity must not increase the maximum permissible annual aggregate remuneration of Directors (excluding executive Directors) without the approval of shareholders. Under that Listing Rule, the maximum annual aggregate remuneration of Directors (excluding executive Directors) includes superannuation contributions made by the Group and any fees which a Non-executive Director agrees to sacrifice on a pre-tax basis.

Pursuant to clause 74(b) of its Constitution and ASX Listing Rule 10.17, at its 2006 Annual General Meeting Brambles set the maximum annual aggregate remuneration for Non-executive Directors at US$2.30 million. This amount included superannuation contributions made by the Group, any fees which a Non-executive Director agrees to sacrifice on a pre-tax basis, remuneration paid by a subsidiary of the Company and fees for service on a Board committee and in this note is called the Non-executive Directors’ fee pool.

During the year ending 30 June 2012, the Brambles Board appointed three additional Non-executive Directors (who will offer themselves for election at this Year’s Annual General Meeting) increasing the number of directors who receive fees paid from the Non-executive Directors’ fee pool from six to nine. With these appointments, the current actual annual aggregate Non-executive Directors fees are approximately US$2.12 million.

Current Non-executive Directors fees are approximately US$191,500 per annum, (see section 7.1 of the Remuneration Report on page 57 of the 2012 Annual Report). Although there are no current plans to do so, Brambles would not be able appoint an additional Non-executive Director to the Board at the current Non-executive Director fee level should that opportunity arise. Brambles therefore seeks a US$450,000 increase to the Non-executive Directors’ fee pool to provide the Board with flexibility to consider, if the circumstances warrant, the appointment of an additional Non-executive Director and to allow for market rate increases, when appropriate, to Non-executive Directors fees over the next several years.

Shareholders will be provided with a reasonable opportunity to ask questions about, or make comments on, the resolution. While noting that each Director has a personal interest in their own remuneration from Brambles, the Board unanimously recommends the adoption of the resolution.

- by appointing a proxy to attend and vote at the meeting on their behalf, either electronically by visiting www.linkmarketservices.com.au or by using the shareholder voting form enclosed with this Notice.

Voting on the items set out in this Notice will be conducted on a poll.

VOTING DEADLINE
Shareholders who wish to lodge a direct vote or appoint a proxy to attend and vote at the meeting on their behalf, must either:
- complete their electronic instructions on www.linkmarketservices.com.au; or
- complete and return their shareholder voting forms to:
  - Brambles’ share registry, by hand to Link Market Services Limited, Level 12, 680 George Street, Sydney NSW 2000 or by using the enclosed reply paid pre-addressed envelope;
  - the facsimile number +61 (0)2 9287 0309; or
  - Brambles’ registered office, at Level 40, Gateway, 1 Macquarie Place, Sydney NSW 2000,

so that they are received by 2.00 pm (AEDT) on Tuesday, 9 October 2012 or, if the meeting is adjourned, at least 48 hours before its resumption in relation to the adjourned part of the meeting. Shareholder voting forms received after this time will be invalid.

VOTING IN PERSON
Shareholders who plan to attend the meeting are asked to arrive at the venue by 1.30 pm if possible, so that their shareholding may be checked against the share register and attendance noted. Shareholders attending in person must register their attendance on arrival.

Where more than one joint shareholder votes, the vote of the shareholder whose name appears first in Brambles’ share register shall be accepted to the exclusion of the others.

To vote in person at the meeting, a company which is a shareholder may appoint an individual to act as its representative. The representative should bring to the meeting a letter or certificate evidencing their appointment. A form of certificate may be obtained from Brambles’ share registry at www.linkmarketservices.com.au (see the “Investor Services”, “Forms” section - under the “General” heading) or from Link Market Services Limited, Level 12, 680 George Street, Sydney NSW 2000.

DIRECT VOTING
The Directors have established an online and postal voting system which gives shareholders the choice of casting “direct votes” in advance of the AGM, as an alternative to appointing a proxy to cast their votes.

To lodge direct votes, shareholders should either:
- visit www.linkmarketservices.com.au, go to the “Vote Online” section and follow the prompts and instructions (shareholders will need their Securityholder Reference Number (SRN) or Holder Identification Number (HIN) to hand); or
- follow the instructions and notes on the shareholder voting form enclosed with this Notice.

For direct votes to be effective, they must be lodged as specified in the Voting Deadline section on page 9. If a shareholder is entitled to cast two or more votes at the meeting, the shareholder may specify the proportion or number of direct votes that they wish to cast “For”, “Against” or specify that they will “Abstain” from voting on an item. Fractions of votes will be disregarded.

If a shareholder specifies that they will “Abstain” from voting on an item, the shares that are the subject of the direct vote will not be counted in calculating the required majority. The Brambles Limited Rules for Direct Voting at General Meetings are available at www.brambles.com in the “Investor Centre”, “Annual General Meetings” section.
PROXY VOTING
To appoint a proxy, shareholders should either:
- visit www.linkmarketservices.com.au, go to the “Vote Online” section and follow the prompts and instructions (shareholders will need their SRN or HIN to hand); or
- follow the instructions and notes on the shareholder voting form enclosed with this Notice.

For proxy appointments to be effective, they must be lodged as specified in the Voting Deadline section on page 9.

If a proxy is instructed to abstain from voting on an item of business, they are directed not to vote on the shareholder’s behalf, and on a poll, the shares that are the subject of the proxy appointment will not be counted in calculating the required majority.

Shareholders are entitled to appoint a proxy to attend and vote on their behalf. If a shareholder is entitled to cast two or more votes at the meeting, the shareholder may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If no such proportion or number is specified, each proxy may exercise half of the shareholder’s votes. Fractions of votes will be disregarded. If a member appoints two proxies, neither proxy is entitled to vote on a show of hands.

The online proxy facility is not suitable for shareholders wishing to appoint two proxies.

A proxy need not be a shareholder.

Under amendments to the Corporations Act 2001 (Cth) which took effect on 1 August 2011 and 27 June 2012 (the New Legislation), there are some changes to the way in which proxy votes are processed:

DIRECTED PROXY VOTES
If you appoint someone other than the Chairman of the meeting as your proxy and give them voting instructions, the New Legislation provides that the Chairman of the meeting must cast those proxy votes on your behalf if your nominated proxy does not do so.

UNDIRECTED PROXY VOTES
Shareholders are encouraged to consider how they wish to direct their proxies to vote. Other than members of Brambles’ key management personnel or their closely related parties voting as a proxy on resolutions 2 and 10, if a proxy is not directed how to vote on an item of business, the proxy may vote, or abstain from voting, as they think fit. Should any resolution, other than those specified in this Notice, be proposed at the meeting, a proxy may vote on that resolution as they think fit.

If you wish to appoint a Director (other than the Chairman) or other member of Brambles’ key management personnel or their closely related parties as your proxy, you must specify how they should vote on resolutions 2 and 10 by completing the “For”, “Against” or “Abstain” boxes on the shareholder voting form. If you do not do that, your proxy will not be able to exercise your vote on your behalf for those resolutions.

The Chairman will be able to exercise your vote on your behalf on resolutions 3, 4, 5, 6, 7, 8 and 9 as he sees fit, if you appoint the Chairman as your proxy in accordance with Step 1b of the shareholder voting form, but do not direct him how to vote (in which case the Chairman will vote in favour of each of those items).

If you appoint the Chairman as your proxy in relation to resolutions 2 or 10, but do not complete any of the boxes “For”, “Against” or “Abstain” opposite that resolution on the shareholder voting form, you will be expressly authorising the Chairman to vote in favour of resolution 2 and 10. If you wish to appoint the Chairman as proxy with a direction to vote against, or to abstain from voting on resolutions 2 or 10, you should specify this by completing the “Against” or “Abstain” boxes on the shareholder voting form.

USING POWERS OF ATTORNEY
If a shareholder has appointed one or more attorneys to attend and vote at the meeting, or if the shareholder voting form is signed by one or more attorneys, the power of attorney (or a certified copy of the power of attorney) must be received by Brambles’ share registry or at Brambles’ registered office, using one of the addresses or the fax number in the Voting Deadline section above by no later than 2.00 pm (AEDT) on Tuesday, 9 October 2012 or, if the meeting is adjourned, at least 48 hours before its resumption in relation to the adjourned part of the meeting, unless the power of attorney has been previously lodged for notation with Brambles’ share registry. The attorney(s) must declare that a notice of revocation of appointment has not been received.
REVOCATIONS OF PROXIES
Any revocations of proxies (including online proxies) or powers of attorney must be received by Brambles’ share registry or at Brambles’ registered office, using one of the addresses or the fax number in the Voting Deadline section on page 9, before the commencement of the meeting, or at the registration desk for the 2012 AGM at the Wesley Conference Centre from 1.00 pm (AEDT) on the day of the meeting until the commencement of the meeting.

SHAREHOLDERS WHO ARE ENTITLED TO VOTE
In accordance with Regulation 7.11.37 of the Corporations Regulations 2001 (Cth), the holders of Brambles ordinary shares for the purposes of the meeting will be those registered holders of Brambles ordinary shares at 7.00 pm (AEDT) on Tuesday, 9 October 2012.

During the 2012 financial year, Brambles increased momentum with the delivery of its long-term growth strategy. In the pooling solutions segments operating under the CHEP and IFCO brands, this involves expanding into more segments, broadening our range of products and services and growing geographically. We are approaching this strategy under four key themes: diversification; cost leadership; go to market; and people and leadership.

The scorecard below shows some highlights of the content available in the 2012 online Annual Review at www.brambles.com/2012review.

FY11 achievements

**Pallets**
- Continued investment in quality and service
- Acquisition of IFCO’s US pallet-recycling business
- Better Everyday program: quality improvements and efficiencies

**RPCs**
- Acquisition of leading RPC business, IFCO
- Continued product innovation
- Strong customer growth

**Containers**
- Launch of US Automotive business
- Investment in Intermediate Bulk Container business
- Acquisition of aviation container pooling business

**Geography**
- Participation in Asian supply-chain modernisation
- Rollout of pooling solutions in EMEA emerging regions
- Expansion of offering in Latin America

During the 2012 financial year, Brambles undertook a divestment process for the Recall information management business. Brambles withdrew Recall from sale in June 2012 because, amid challenging capital market conditions, offers from bidders did not reflect Recall’s value or offer sufficient certainty. In the 2013 financial year, Brambles expects Recall to grow at stable margins as we continue to diversify and develop the way we deliver services to customers.
FY12 themes

**Diversification**
At the heart of Brambles’ growth strategy is Diversification. This involves building our global Pooling Solutions business, which operates primarily under the CHEP and IFCO brands. We are expanding into more customer segments, broadening our range of products and services, and growing geographically, including in emerging markets. In the Recall business, we continue to diversify and develop the way we deliver services to customers, including through providing document management services digitally to customers.

**Go To Market**
Our common strategic approach includes the theme of Go To Market. We are investing in enhancing and developing the way we engage with our customers and partners by strengthening our brand position and by continuing to enhance the experience of our customers through improving the quality of our products and services. These programs are designed to improve our market reach and the get us closer than ever to our customers, thereby strengthening our revenue streams and, ultimately, enhancing returns for shareholders.

**Cost Leadership**
In the 2012 financial year, and as we begin the 2013 financial year, we are strengthening our efforts in the area of Cost Leadership. This means delivering a low-cost business model that leverages our global scale and creates sustainable competitive advantage for both Brambles and its customers. Against a backdrop of challenging economic conditions, in particular for our developed Pallets operations, the importance of maximising the efficiency of our operations is placed in sharper focus.

**People & Leadership**
Brambles’ strategic focus on People & Leadership refers to attracting, developing and retaining the right individuals and teams that can enhance our culture and bring the required capability for sustainable success. This focus is imperative to delivering on all aspects of our strategy, and to driving the levels of innovation, quality and service our customers require. It is an integral part of our focus on creating long-term sustainable value for shareholders.

For more details on our achievements in relation to these themes in the 2012 financial year, visit the online Annual Review at www.brambles.com/2012review.
